

MINI-PLUS FERRIT TAG

The Mini-Plus Tag is an extremely small Ferrit Tag with highest detection. Due to the less weight of 8 g and the optional version with integrated lanyard, our Mini-Plus Tag is qualified for securing products like:

- Shoes
- Children cloth
- Electronic items
- Do-it-yourself items (like tools)
- Dessous / Underwear

The Mini-Plus Tag is available in RF and AM Technology.
Size of the tag: 25 mm width x 24 mm height
